Education

Walchand College of Engineering, Sangli
B.tech in Information Technology; CGPA: 8.31/10.0

July 2021 – July 2025

WORK EXPERIENCE

UBS Business Solutions
Full Stack Developer (Graduate Trainee)

Aug 2025 – Present
Pune, India

- Worked on an internal web application using React.js and Spring Boot to support business workflows.
- Built and maintained REST APIs for frontend integration, improving overall responsiveness of the application.
- Developed reusable UI components to keep the codebase clean and easier to scale.
- Improved backend performance by optimizing database queries and handling edge cases in services.
- Collaborated with designers, backend engineers, and QA in an Agile setup to ship features end-to-end.
- Regularly debugged production issues and participated in code reviews to maintain code quality.

Projects

CODEWITHME  | *Real-time Collaborative Coding Platform*

- Built a real-time coding platform where multiple users can collaborate on code, video call, and use a shared whiteboard.
- Used WebRTC for video communication and Socket.IO for syncing code changes across users.
- Implemented a shared whiteboard to make collaboration easier during discussions.
- Handled concurrent edits using synchronization techniques to avoid conflicts between users.
- **Tech Stack:** React.js, Node.js, Express.js, WebRTC, Socket.IO, MongoDB

WEALTHBOT | *AI Investment Advisor*

- Developed a bot that suggests investment strategies based on user inputs.
- Analyzed factors like risk level, asset allocation, and market trends to generate recommendations.
- Integrated financial data and basic models to provide meaningful insights.
- Added a feature to simulate investments and estimate potential returns.
- **Tech Stack:** Python, Data Analysis, Financial Modeling, APIs

TECHNICAL SKILLS

Languages: Java, JavaScript, Python
Frontend: React.js, HTML, CSS
Backend: Spring Boot, REST APIs
AI/ML: LLMs, RAG, Vector Databases, MCP
Tools: Git, CI/CD, Docker (if applicable)

Achievements

- Obtained 22nd Rank out of 400 Attendants in Gfg Online competition (GPAT).
- Acquired 4th Rank in CODECRUSH organized by SAIT.
- Recognized as a top 5% student at my college and awarded the TFWS (Tuition Fee Waiver Scheme) Scholarship for exceptional performance in exam.
- Ended Up at 2nd Position and Silver Medal at Abacus Competition held at Nagpur with over 100 Participants.
- District-level cricket team captain leading to runner-up in district tournament with more than 10 teams.
